PRESS RELEASE

MAJOR PIPE CONNECTION WORKS AT SUNGAI DUA WATER TREATMENT PLANT

PENANG: A major water supply upgrading project will be undertaken at the Sungai Dua Water Treatment Plant in Seberang Prai from 11.00pm Saturday, 1 June 2013 – 5.00am Sunday 2 June 2013.

The project includes the connection of a new 2500mm raw water pipe connection and other associated works to further upgrade Penang's largest water treatment plant. Two modules at Sungai Dua will be temporarily shut down to facilitate the works.

In preparation, all other water treatment plants in the state will produce more treated water while all major treated water reservoirs throughout the state will be filled to maximum capacity before the commencement of works.

Perbadanan Bekalan Air Pulau Pinang Sdn Bhd (PBAPP) personnel will implement these mitigation measures to ensure that the works at Sungai Dua does NOT affect water supply throughout the State of Penang from 11.00pm Saturday, 1 June 2013 until Sunday 2 June 2013.

All Penang water consumers should enjoy normal supply at normal pressures throughout the duration of works. Consumers who experience supply issues should call PBAPP's 24-hour Call Centre (tel no. 04 5096509) immediately.
