12-HOUR SCHEDULED WATER SUPPLY INTERRUPTION IN THE SOUTHERN AREAS OF PENANG ISLAND ON SATURDAY, 12/8/2017 TO ACCOMMODATE JKR ROAD WIDENING WORKS.

- **9.00am – 9.00pm on Saturday, 12/8/2017.**
- **Affected residents: about 50,000 people in 18 areas.**
- **600mm MS pipeline shutdown to accommodate pipe diversion and connection works related to JKR road widening works.**

PENANG, Tuesday (8/8/2017): An existing 600mm water pipeline will be shut down this Saturday to facilitate pipe connection works related to the on-going JKR road upgrading works project from Teluk Kumbar to the Penang International Airport (FT006).

The pipeline shutdown will enable 3 water pipeline diversion and connection works related to the JKR FT006 project:

1. 600mm MS (mild steel) x 600mm MS connection near Pavilion Resort;
2. 600mm MS x 600mm MS connection near Krystal Country Homes; and
3. 200mm MS x 200mm MS connection near Krystal Country Homes.

To “optimise” the pipeline shutdown hours, Perbadanan Bekalan Air Pulau Pinang Sdn Bhd (PBAPP) has also approved two additional pipe connections to accommodate road widening works related to the TPPT housing development project in the area:

4. 600mm MS x 600mm MS connection near Saujana Heights; and
5. 600mm MS x 600mm MS connection near Taman Widuri.

All the 5 pipeline connection and diversion works at 5 sites will be carried out simultaneously during daylight hours to ensure smooth, timely and successful completion as planned.

The 600mm MS pipeline shutdown will cause a 12-hour scheduled water supply interruption that will affect about 50,000 residents in the following areas in the southern part of Penang Island:

1	Kampung Bukit Bayan Lepas	10	Kampung Sungai Batu
2	Pavilion Resort	11	Kampung Matahari Naik
3	Krystal Country Homes	12	Kampung Matahari Jatuh
4	Changkat Bukit Belah	13	Kampung Masjid, Teluk Kumbar
5	Taman Widuri	14	Jalan Kampung Masjid
6	Saujana Heights	15	Bandar Baru Teluk Kumbar
7	Jalan Teluk Kumbar	16	Pasir Belanda
8	Kawasan Teluk Kumbar	17	Jalan Gertak Sanggul
9	Sungai Batu	18	Kawasan Gertak Sanggul

Please refer to the map in 'Appendix A' that indicates all affected areas.

PBAPP deeply regrets any inconvenience caused. We would like to advise all affected consumers to kindly store sufficient water for use from 9.00am – 9.00pm on 12/8/2017.

Thank You.
