### **PIPE WORKS FOR JKR ARCH BRIDGE PROJECT: 12-HOUR SCHEDULED WATER SUPPLY INTERRUPTION IN AREAS FROM JALAN SUNGAI DUA TO JALAN PEKAKA 1 ON SUNDAY, 1/10/2017.**

- **9.00am – 9.00pm on Sunday, 1/10/2017.**
- **Affected: 30,000 consumers.**
- **Reason: Diversion of water supply pipeline to facilitate the JKR Arch Bridge Project at Jalan Sungai Dua.**

PENANG, Monday (25/9/2017): Water supply pipeline diversion works will be carried out at Jalan Sungai Dua on Penang Island, on Sunday, 1/10/2017.

A total of 5 temporary connections will be carried out to divert water supply pipelines away from the Public Works Department (JKR) Arch Bridge Project.

To enable these pipe diversion works, Perbadanan Bekalan Air Pulau Pinang Sdn Bhd (PBAPP) must temporarily “shut down” an existing 450mm AC water supply pipeline in the area.

The shutting down of this 450mm pipeline will cause a scheduled water supply interruption at Jalan Sungai Dua and Jalan Pekaka 1, as well as in nearby areas.

Consumers in the following areas are kindly advised to store sufficient water for use from 9.00am – 9.00pm on 1/10/2017:

1	Universiti Sains Malaysia (USM) Campus, Southern Zone	12	Lintang Pekaka 1, 2, 3, 4, 5, 6, 7, 8 and 9
2	Tesco Extra Sungai Dua	13	Lengkok Pekaka
3	Jalan Sungai Dua	14	Solok Pekaka 1 and 2
4	Lorong Sungai Dua	15	Lebuh Pekaka 1, 2, 3 and 4
5	Lengkok Sungai Dua	16	Desa Permai Indah
6	Persiaran Sungai Dua	17	Lorong Helang 1, 2 and 3
7	Jalan Murai	18	Jalan Helang
8	Medan Murai 1, 2 and 3	19	Jalan Merak
9	Taman Pekaka	20	Lintang Merak
10	Jalan Pekaka 1 and 2	21	Lorong Merak 1 and 2
11	Lorong Pekaka 1, 2, 3, 4, 5 and 6		

*Please refer to the map in 'Appendix A' that shows all affected areas.*

An estimated 30,000 water consumers will be affected by this 12-hour scheduled water supply interruption.

Please note that these pipe diversion works are required to facilitate a JKR construction project. PBAPP's water supply pipeline must be safely diverted away from the JKR work site to prevent mishaps and ensure continuous good water supply.

Please remember to store sufficient water for use from 9.00am – 9.00pm on Sunday, 1/10/2017. PBAPP deeply regrets any inconvenience caused.

Thank You.

Chief Executive Officer,
